### **Jonathan Donley:**

Discussed Jorge Severini becoming a Lifetime Honorary Board Member aka "Board Member Emeritus". This position would still have a vote but an actual Board Member. The HSC Board is not required to hold this position although it would be considered an honor.

*Action Item: Make decision on this issue next Board Meeting*

### **Bob Burd:**

Field currently very wet.

John Whittaker doing a great job with fields.

Bob received three responses regarding volunteers to line fields. One parent asked if a 16 year old could volunteer. Answer: Yes.

### **Ed Marco:**

Noticed that referees are not looking professional on the fields. All refs need to "look the part", ie: shirts must be tucked in.

### **Bill Bradley:**

Financials are completed

Requested to set up ADP electronically to pay Donna Milius on monthly basis. Board voted yes to this request.

### **Tom Longo:**

First games start next week.

Looking for more volunteers to be intermural commissioners. Mark Hackett and Ralph DeLucia have already volunteered. Parent emails will still be sent to Tom and then he will forward emails to appropriate commissioners.

Board Voted yes to donate \$250 to the Tancredi Baby Fund and \$50 to Chestnutwold Chase Fun Run. Donna will process the checks and have them sent out.

Mandatory Concussion Training will start in the Fall. Donna will create spreadsheet to organize and track who completed the necessary training. And Tom will look into the possibility of tracking this thru EPYSA.

Donna will send out mass email to HSC regarding the April 22<sup>nd</sup> Concussion Training Symposium at the Marriot in Conshohocken.

Tom will contact one of the HSC Administrator candidates to help and get paid for making phone calls to solicit HSC sponsorships. \$30 for each sponsor received.
